

eTech LED Warranty Registration

Thank you for purchasing eTech LED products. Register your products now to qualify for the strongest warranty in the industry. This will also enable us to provide you with faster customer service should the need arise in the future. The warranty is on the Product Resources page at www.eteched.com.

Warranty Coverage begins when we ship the product, but you must register your purchase within 60 days of date of invoice from eTech LED, LLC to qualify for Warranty Services.

We need three items to register your products for the warranty:

1. Order Number (printed on the eTech LED invoice and packing slip).
2. Case ID number from the label on the side of the packing box.
3. All fields completed in the form below. All Fields Are Mandatory.

Your data will be used for processing your warranty registration. Occasionally, we may also send you information related to your product. Your contact information will not be shared with third parties, and you can opt-out of eTech LED communications anytime.

Company Name					
Contact First Name		Contact Last Name			
Contact Title					
Contact Email					
Contact Phone(s)					
Contact Address					
Contact City		State		Zip	
Installation Address					
Installation City		State		Zip
